On the trail: (all trail descriptions will be northbound, follow in reverse for southbound)

The segment begins at the MDOT Welcome Center along Lake Superior. (46.504525, -87.362429) This portion of the trail follows an old railroad grade and is shared with the Iron Ore Heritage Trail ([Iron Ore Heritage Trail](#)) as well as the City of Marquette Bike Path.

The trail follows the beautiful Lake Superior shoreline as you traverse Marquette from south to north. Right along the trail you will pass two public beaches, a brewery, a coffee shop, multiple restaurants, Mattson Lower Harbor Park, the Coast Guard Station, and the Maritime Museum. Within blocks, you will find many restaurants and shops. See READ ME FIRST for more information on groceries and hiking/camping supplies. Be aware that once you leave Marquette you will not be close to any resupply locations for many days and miles until long after entering the Peter Wolfe Chapter to the west.

This segment ends at the corner of Lakeshore Blvd/Hawley St (46.571384, -87.393396) You may also want to continue on a side trip along Lakeshore Blvd to Presque Isle Park, a 323 acre forested peninsula offering unmatched views of Lake Superior.
