Camping:

This segment is mostly commercial forest land, so dispersed camping is available.

Water Access:

Water is available at Silver Creek.

Seasonal Access Information:

The eastern trailhead should be reachable late spring through early winter, although an AWD vehicle is definitely preferable. It cannot be reached by vehicle in the wintertime.

From late spring through early winter, the western trailhead should be reachable by any vehicle. In the winter, you can take Rumely Rd until the plowing ends, and then hike the roughly .5 mile to the beginning of the segment.
