

## Segment 9 – Kawbawgam Rd to Welcome Center

(Formerly Segment 8), Updated April 2024 [Google Map of Segment 9](#) The Google Map is only for an overview of the trail. **Use Avenza Maps for actually locating and following the trail.**

**Trail adopter(s):** None

**Segment length:** About 6.2 miles, east to west 29 feet of ascent, 10 feet of descent

**Link to [Avenza Maps Online](#)** : Use Maps # 44 & 45 in the Avenza app. Make sure you have the current updates for Avenza. Always refer to the updated Avenza Maps for the most current NCT mile markers.

Please contact the Trail Crew Leader (Brad Slagle 906 236-2776) with reports of trail conditions, including blowdowns, washouts or inadequate blazing, or if you have questions on driving directions to the start point.

***Many of the backroads have multiple names depending on which map you are using. When known, multiple names for the same road have been indicated in italics within brackets.***

**On the trail: (all trail descriptions will be westbound, follow in reverse for eastbound)**

The trail begins at a small park on Kawbawgam Rd that includes an outhouse at (46.484806,-87.241233). This portion of the trail follows an old railroad grade and is shared with the Iron Ore Heritage Trail. [Iron Ore Heritage Trail](#) The segment ends at the MDOT Welcome Center along Lake Superior. (46.504525,-87.362429)

**Driving Directions:**

**Eastern Trailhead**

From the corner of US 41/M-28 in Harvey, head east on M-28 for about 5.25 miles. Turn right on Kawbawgam Rd. Parking is available at the park located on the left just before the NCT crosses Kawbawgam Rd.

**Western Trailhead**

The MDOT Welcome Center is located on M-28/US 41 between Harvey and Marquette just as you reach Lake Superior when approaching from the east.

**Camping:**

There is no camping along this segment.

**Water Access:**

Water is available at the Welcome Center or along Lake Superior.

**Seasonal Access Information:**

Both trailheads area easily reached year-round.

This segment also serves as a snowmobile trail in the wintertime.
