On the trail:

From the parking area for Laughing Whitefish Falls at (46.382138,-87.077231) follow the sign towards the falls. The spur trail to Segment 4 of the NCT will fork off to the left (north). Head north and follow the white blazes (spur trails have white blazes). You will pass two smaller waterfalls before reaching the intersection with the NCT at (46.402996,-87.057634). To view the Laughing Whitefish Falls, walk beyond the start of the spur trail cutoff until you reach the top of the falls. It's a beautiful view from the top and bottom, but be prepared for the 150 steps back to the top!
